Standing soap dispenser
CW4980 chrome

PLUS

Sometimes the research of a formal design in everyday used objects might give to functionality a secondary role. Piet Billekens the project PLUS, has re-established the balance between concept and function, designing taps and furnishing complements free from any style or trend. The highest attention was also given to the materials, with a peculiar control to the manufacturing process granted by Companies sharing the common concepts of total quality.

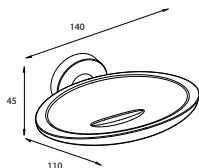

Tumbler and holder

holder removable
97 x 70 x 105 mm
